- **Government Minister Recommends Accredited Registers**

On 3 November, speaking in the House of Commons, Parliamentary Under Secretary of State for Public Health, Jane Ellison MP, said: *“Both the Government and the Professional Standards Authority (PSA) recommend that when a patient or service user chooses to visit a health or care practitioner who is unregulated, only those on an accredited register are consulted.”*

All CNHC registrants are on CNHC’s Accredited Register and can use the CNHC quality mark. Our key message to the public is to **Choose with Confidence** with CNHC registrants and this government recommendation reinforces that message.
