

- **PSB elections – next round has begun**

The election process for Microsystems Acupuncture, Naturopathy and Sports Therapy Profession Specific Boards (PSBs) began on Monday 2 October and will conclude in early November.

PSB members are elected by registrants to give CNHC registered practitioners a direct say in who will act as advisers to CNHC's Board. Any registrant from Microsystems Acupuncture, Naturopathy and Sports Therapy is able to stand for election for the relevant PSB, including those who are currently members of the PSB.

To be eligible to vote, practitioners must be registered for the relevant discipline no later than midnight on Monday 23 October 2017.
